

# Outsourcing is OUT. Debtpack is IN.

The **"Big Recession"** demands SMART debt management. In-house debt management is Simple, Measured, Achievable, Real, Timed.

A one tool approach saves costs, banks the money and simplifies management control.

Simply put **"DEBTPACK GENERATES LONG TERM STRATEGIC ADVANTAGE"**.

*DEBTPACK HAS WON A THIRD SUCCESSIVE 3 YEAR TENDER TO ENSURE THAT OUR DEBTORS REMAIN CURRENT AND STRATEGICALLY VALUABLE.* Hermsn Botha CFO Mossel Bay Municipality

Private sector timelines mimic Public sector timelines. Week days become business days, 7 days notice periods become 20 business days, S129 notices mimic 'Can we help' Indigent surveys. More importantly S130 says you cannot proceed with faulty ground work.

To survive you must thrive in a **centralized, zero budget, workflow scenario.**

*DEBTPACK'S WORKFLOW DIARY ENABLED US TO CENTRALISE HOSPITAL DEBT MANAGEMENT TO HEAD OFFICE, IMPROVE COLLECTIONS AND CUT COSTS.* Mediclinic Collections Manager

## The Debtpack Advantage

*"THE SYSTEM MAKES DEBT MANAGEMENT EASY AND HELPS TO MANAGE AND MONITOR THE WORK FLOW OF THE CONTROLLERS."*

Gary Forfar, Gauteng Shared Service Centre

Debtpack **makes the complex Easy.** Generating a NCA Notice, Summons, Judgment, Warrant is as easy as printing a letter.

**Debt Review Management** date management, c.o.b, S17 replies, demands & terminations are included.

Debtpack supplies High End features at a sensible price.

Debtpack is fully scalable. From single users to large collection centres it is known for it's Speed, Stability and Performance.

Modules function at three levels. Administrator levels enable you to customise everything. **Power Users** use their discretion. Diary user levels act as told.

*DEBTPACK MEASURES AND MANAGES EVERYTHING.*

Debtpack's visual workflow usefully gives you **End-to-End traceability.** 'If this - then that' planning and live action tracking identifies blockages and distributes workflow evenly.

**Auto batching** uses preset business rules to distribute and transfer workflows.

**Visual Workflow** enables you to manage Multiple watch points at the same time. For instance whilst waiting for the next step, a short payment and a journal credit may occur, which result in multiple next steps.

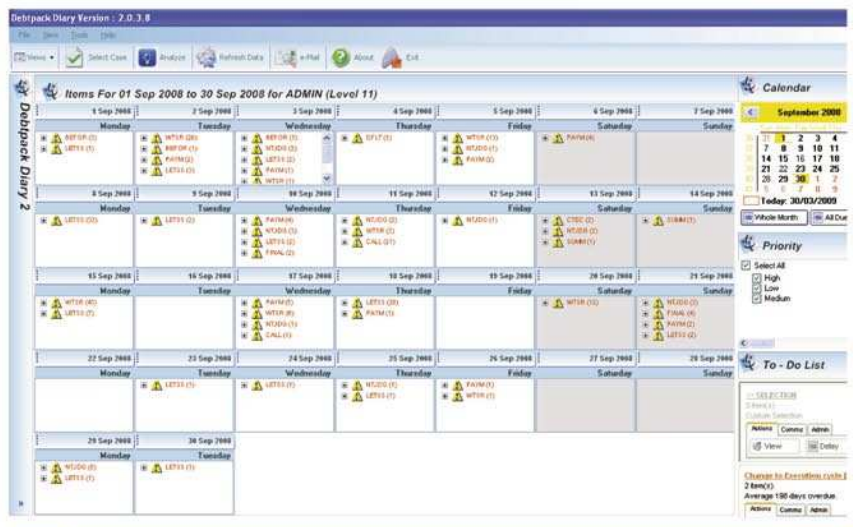

*CAMPAIGN MANAGEMENT ACHIEVES GOALS.*

All Debt Collection departments are always **cash strapped** and for good reason, don't throw good money after bad. You must choose between multiple options and multiple debtors on multiple stages of the collections process.

Leave back end to Debtpack. Focus on getting the money in. Debtpack knows what you are doing, it is your supreme niche of competence.

In bad times debt management is core to the survival of your business.

Debtpack is strategic. *Adv A P Maas. Managing Director Debtpack.*

DEBTPACK DELIVERS **REAL** VALUE CONTINUOUSLY. FOR THE LAST 9 YEARS MEDI CLINIC HAS SUCCESSFULLY USED DEBTPACK TO GENERATE IT'S OWN SUMMONSES AND JUDGMENTS COUNTRY WIDE. Rietie Redelinghuys - Debt Collections Manager

**Doing it yourself** is tried and tested. It saves you and your customers millions of Rands in legal fees and commissions.

*I HAVE BEEN USING DEBTPACK FOR ± 10 YEARS NOW. WE HAVE YET TO COME ACROSS ANOTHER LEGAL PROGRAM THAT HAS GIVEN US SUCH EXCELLENT RESULTS, COMBINED WITH BRILLIANT REPORTING! IN ONE WORD, FABULOUS!"* Nicky Storbeck, Life Healthcare Group

DebtPack converts complexed processes into **easy to use** functions.

*DEBTPACK IS EXTREMELY USER FRIENDLY AND CAN BE CUSTOMIZED TO SUIT YOUR WORKING CONDITIONS.* Noleen Cruiter - Specsavers, Menlyn

DebtPack isn't a lock in. The whole aim is to sort out and to move on.

*AFTER 5 YEARS DEBTPACK LEAVES COUNCIL WITH THE STRATEGIC ABILITY TO COLLECT DUES ON TIME.* CFO - Maquassie Hills Local Municipality
